

A man wearing a yellow hard hat, safety glasses, a high-visibility orange and yellow safety vest over a grey long-sleeved shirt, and grey work pants stands next to a grey Club Car utility vehicle. He is wearing yellow work gloves and black work boots. The vehicle has a "Club Car" logo on the front grille. The background shows a construction site with a large pile of debris and a yellow excavator.

Club Car

**DO
YOUR
BEST
WORK**

Because great results
grow businesses.

CARRYALL

**UNMATCHED
VERSATILITY,
EXCEPTIONAL
RELIABILITY**

The only utility vehicle that can keep up with you.

You rely on your work vehicle to perform day in and day out, on task after task, with little maintenance, even less attention, and zero headaches. Because we understand that, Carryall® by Club Car is designed, developed, and engineered to enable your best work with ease, positioning you and your organization—along with everyone it serves—for success.

Built to exacting standards with automotive-grade strength, industry-leading longevity, and a customizable design, it's the first and best choice for hardworking doers everywhere.

Max Speed 25 mph		Max Vehicle Capacity 1600 lbs		Horsepower 20 hp (gasoline) 20 hp (diesel)

1,000 JOBS, ONLY ONE CARRYALL

Things can get rocky out there. Team members come and go. Budgets fluctuate. Responsibilities expand. But the one-and-only Carryall® utility vehicle remains a constant. It keeps on working, day in and day out: hauling cargo, transporting crews, saving time and money. And now it's more reliable and versatile than ever. By combining leading-edge innovations with traditional quality, the Carryall UTV is the one utility vehicle that can tackle 1,000 jobs. It stands alone.

CARRYALL 1500

ALL-AROUND HIGH-PERFORMANCE MACHINE

The perfect combination of muscle and flexibility packed on a rustproof, aircraft-grade aluminum frame.

		
Max Speed 25 mph	Max Vehicle Capacity 1450 lbs	Horsepower 20 hp (gasoline) 20 hp (diesel)

REDESIGNED FROM THE GROUND UP

Our 2- and 4-passenger 4x4 cabs for Carryall provide greater overall comfort, safety, protection from the elements, and performance.

1500

TANK-LIKE DURABILITY, TRUCK-LIKE PERFORMANCE

These vehicles are in it for the long haul.

Carryall® utility vehicles are known for delivering years of trouble-free service. The new vehicles continue that tradition. They retain the core components users prize in the Carryall brand: the rustproof, corrosion-resistant, aircraft-grade aluminum frame and body; tough ArmorFlex™ front body with automotive finish; self-compensating rack-and-pinion steering; independent front suspension system; and unparalleled reliability. But they also incorporate innovative new features and benefits that add even more value.

OUTFITTED FOR THE TASK AT HAND

Carryall UTVs are built to your needs.

No team ever has just one job to do—it's a series of tasks with different needs for each. With the industry's widest range of commercial accessories, such as ladder racks, refreshment centers, specialized lighting, and more, we can customize your new Club Car with application-specific features to improve productivity.

FACILITIES ENGINEERING

Our facilities engineering Carryall vehicle comes outfitted with a van box or dual-locking tool box system to help your team stay on the move.

SECURITY

Security is more important than ever, and the Carryall 300 security vehicle is designed to flex with the changing needs of your campus.

GROUNDS MAINTENANCE

Club Car's new Carryall 700 grounds maintenance vehicle with hose reel gives your team the power and reliability to get the job done on any terrain.

AMBULANCE SERVICES

The Carryall 300 and 1700 ambulance vehicles have a small profile, tight handling, and extra space, allowing you to securely transport patients from anywhere on the property.

ALUMINUM FRAME FOR LONGER LIFE

While most utility vehicles are built on a steel frame, Club Car features automotive-grade aluminum frames. Our frames are strong, rustproof, and impact resistant to enhance overall performance and prolong the life of your vehicle.

CUSTOMIZED FOR PRODUCTIVITY

Specialized add-ons make getting the job done easier.

Vehicles accessorized for your team's specific tasks lead to smoother, more efficient workdays. With a wide range of standard and unique commercial accessories, you can outfit your Carryalls exactly how you want to put the most frequently used tools front and center. Here are just a few of the options:

- LED headlights that last 50 times longer than traditional lights
- Ladder racks, tool boxes, van boxes, stake sides, dump kits, and more
- Cabs, enclosures, heaters, fans, and other equipment that can turn your vehicles into year-round assets
