## **INTRODUCING THE NEW CURRENT**

The all-new Club Car Current is like a truck—but better. This updated electric utility vehicle features enhanced maneuverability, new/enhanced specially designed automotive body panels for increased durability, and an optional GPS locator with geofencing capability. Available in three different configurations.

The footprint of the all-new Current is smaller than a traditional truck, so you can get around campus with flexibility and adaptability that a van or full-sized vehicle doesn't offer.

FOR CLOSED CAMPUS APPLICATIONS ONLY. VEHICLE DOES NOT INCLUDE VIN OR MCO.
