

CARRYALL® FIT-TO-TASK SERIES

SETTING THE STAGE FOR SAVINGS

**INTRODUCING THE
REFUSE REMOVAL
CARRYALL 700**

CUT WASTE WITH OUR REFUSE REMOVAL VEHICLE

Refuse removal is an important function on resorts, campuses, government and other sites. And it's important to find cost-effective vehicles designed for that application.

Club Car delivers that with our new Carryall 700 Waste Removal Vehicle.

The vehicle is carefully configured with task-multiplying accessories based on buying patterns of customers like you. Those include:

- A** Waste hauler
- B** Heavy-duty electric bed lift
- C** Tail lights, brake lights and horn
- D** Canopy and hinged windshield
- E** Driver- and passenger-side mirrors
- F** Locking glovebox
- G** Reflector package
- H** Rear-mounted reflective triangle
- I** Heavy-duty two-inch rear receiver

- J** Rear fender guard
 - K** Differential guard
 - L** 12-volt USB port
- Electric Model Only*
- M** Extended-range batteries
 - N** Single-point watering system

For other configurations, ask your Authorized Club Car Dealer about our Custom Solutions Department.

A DURABLE FRAME. GASOLINE OR ELECTRIC POWERTRAINS.

The vehicle features Club Car's exclusive rustproof aluminum frame that withstands water, salt, fertilizer and chemicals.

The gasoline model is powered by a 14-hp-rated single-cylinder overhead cam engine with electronic fuel injection that gets up to twice the mileage of some competitive vehicles, yet delivers superior power and torque.

The electric model features a 48-volt battery pack and 500-amp DC controller.

The smart onboard charger with reel retractor allows for easy charging and prevents common user errors.

The vehicle comes standard with dark gray bodies and gray seats. Premium colors are available.

CUT THE COST OF REFUSE REMOVAL ON THESE SITES

Resorts, hotels and clubs

College, hospital and corporate campuses

Government and military installations

Public parks

Golf courses
