Club Car[®] CONNECT

FORWARD-THINKING TECHNOLOGY. REAL-TIME RESULTS.

Club Car Connect will change how you do business.

Now you can manage your course from anywhere while increasing revenue, reducing expenses, and delivering the experience today's golfers demand. Club Car Connect and Shark Experience—already installed at hundreds of courses worldwide—harness the power of technology to help you gain efficiencies, grow your business, and entertain golfers without losing anything that makes the game enjoyable.

“Visage has definitely provided us with an efficient and cost-effective way to offer our guests a better experience than the competition.”

*– Jonathan Schoenfeld, Head Pro
Stonewall Golf Club*

First-class golf experience

The software increases golfer engagement and enjoyment for a memorable game.

Designed for golf course demands

Visage with Shark Experience is specific to golf and its unique opportunities.

Course management from anywhere

Web-based tools give you the freedom to monitor your course far from the office.

Modern hardware, seamless integration

With the Shark Experience, a 10" HD touchscreen and integrated Bluetooth speakers will be on every electric Tempo vehicle in your fleet.

Courses using Visage have enjoyed business-changing benefits—and with Shark Experience now available, the potential to attract and engage even more golfers is limitless.

CLUB CAR CONNECT

Streamline your operations, protect your assets, and provide a world-class experience with our premium connectivity solution, including Visage and Shark Experience.

Fleet Management

Visage web-based reporting gives you a real-time picture of each vehicle, so you can address service issues before they become emergencies, reducing downtime and repair costs.

Operations

With all course data in one location, you can better manage your overall operations, inform decisions that will improve play and experience, and ensure all resources are utilized to their full potential.

Car Tracking & Control

Visage allows you to not only keep track of your fleet 24-7, but regulate where cars can travel across the course, protecting your assets and grounds from damage.

Communications

Free up your staff by using Visage to communicate pace-of-play and weather alerts directly to cars on the course—making for more pleasant, safe rounds.

Food & Beverage Sales

Open new revenue streams by messaging golfers on the course with daily and seasonal specials, as well as food & beverage ordering prompts.

Tournaments

Increase engagement at tournament time by using Visage to display leaderboards and pro shop promotions.

MADE FOR MODERN GOLFERS

Move the game forward

Club Car Connect with Visage Fleet Management is proven to improve course management, maintain fleet health, and unlock new revenue streams—and it comes with hands-on support from our Connectivity Account Managers, a service no other golf car maker provides.

SHARK EXPERIENCE WITH BLUETOOTH

Intuitive Bluetooth pairing to integrated stereo speaker consoles are an opportunity to differentiate your course.

CURATED MUSIC

Golfers can set a soundtrack through streaming TuneIn Radio or Bluetooth device-pairing connections.

“Our primary focus is to provide the golfer with a better experience on the course, introduce new people to the game, and help golf grow alongside the technology innovations that are happening across other industries.”

– Greg Norman

SPORTS & ENTERTAINMENT

Golfers can catch a game from the links, thanks to access to live PGA Tour events, highlights and scores.

NEWS & FINANCE

Shark Experience keeps busy players connected by displaying the day's headlines and breaking news updates.

A woman with long brown hair in a ponytail, wearing a white visor and a dark blue polo shirt with a green collar, is sitting in the driver's seat of a golf cart. She is looking at a GPS screen mounted on the dashboard and has her hand on it. A man in a white polo shirt, white shorts, and a dark cap is standing next to the cart, looking at the screen. The cart is on a golf course with trees in the background.
