

Club Car

INTRODUCING *Tempo*™ CONNECT WITH BLUETOOTH

Intuitive Bluetooth pairing to Club Cars' integrated stereo speaker console is an opportunity to differentiate your course and drive incremental revenue. Courses can pre-set fleet volume to insure the best possible experience and golfers can enjoy their own private playlist or streaming music service while cruising the fairways and getting ready for their next shot.

TEMPO CONNECT WITH BLUETOOTH FEATURES

- 10" LCD Touchscreen
- Golfer Experience Touch for Distance GPS
- Premium Integrated Bluetooth® speakers, designed to keep the music inside the car.
- Intuitive phone to car pairing with touch screen prompts
- 4-year service and warranty

CONNECTING TO BLUETOOTH

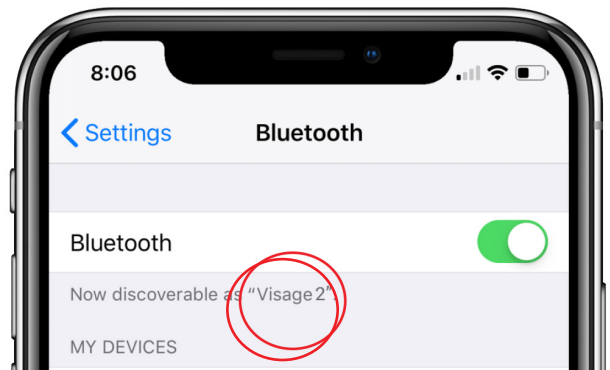

1. To pair a Bluetooth device, touch the “Connect” button located on the Main Menu or Hole/Approach view.

2. Visage is now “discoverable” by your device.

3. Locate and select “Visage XX” on your device.

4. Confirm the code matches and touch “pair” on your device.
