

Engine Performance You Can Trust

Depend on automotive-grade engineering with the Kohler Command PRO[®] EFI engine, now available in Club Car Tempos. In addition to its reliability, the new fuel-efficient engine helps improve productivity by simplifying your ownership experience and increasing vehicle uptime.

THE 14 HP COMMAND PRO® EFI ENGINE FROM KOHLER & CLUB CAR MAKES YOUR JOB EASIER IN MANY WAYS.

- Automotive-Grade, Closed-Loop EFI continuously adjusts engine performance based off an internal oxygen sensor for excellent fuel economy and more reliable starting and performance in any environment.
- **Onboard Diagnostics, Accessible on your Laptop or Smart Device** quickly identify engine issues to keep your vehicle running and decrease maintenance time.
- **Reduced Oil Changes** maximize uptime and your bottom line, thanks to an industry-leading oil change interval recommendation (every 200 hours*).

*After first oil change at 100 hrs

QUIETED METAL COMPONENTS

Specialized material used for the engine's blower housing and valve cover effectively suppresses undesirable engine noise for an enhanced acoustic experience.
