

Club Car

®

RENTAL **LIFE CYCLE**

Club Car has a vehicle for every rental need, from heavy-duty work applications to light-duty transportation vehicles. We offer more than 50 gas, diesel and electric models in 2- to 8-passenger configurations. Our automatic 4WD Carryall® utility vehicles work like trucks, with a maximum carrying capacity of almost a ton. And, with hundreds of accessories, we can create vehicles to tackle those next 1,000 jobs, whatever they may be. Call **1.800.ClubCar** for details or visit www.clubcar.com for the complete Carryall utility lineup.
