THE CARRYALL DIFFERENCE

• 4-year battery, 3-year powertrain, 2-year bumper-to-bumper warranties on most models
• VersAttach™ track-based attachment system increases cargo space and protects equipment
• EFI engines with quieted metal components for a powerful, yet smooth ride
• Rustproof aluminum frame and bed box resist corrosion
• Custom Solution Department engineers specific-application vehicles

POWER AND RELIABILITY IN ANY ENVIRONMENT

The Carryall UTVs are built to your needs.

No team ever has just one job to do – it’s a series of tasks with different needs for each. With the industry’s widest range of commercial accessories, your new Carryall can be customized with application-specific features to improve productivity.
**CARRYALL 100**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,000 lb (454 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

The Carryall 100 is nimble and right-sized for lighter duty applications. A great choice for security, parking, and lighter duties. Fits in the back of a pickup truck.

**CARRYALL 300**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,500 lb (681 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

Perfect for light duty tasks, the Carryall 300 features a fast-proof aluminium frame and bed and the tightest turning radius in its class.

**CARRYALL 500**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,900 lb (862 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

This best seller delivers the right combination of speed and power for just about any job. Standard four-wheel brakes for increased stopping power when towing and hauling heavier loads.

**CARRYALL 700**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,500 lb (681 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

Features both our footprint Intellicad™ fully automatic four-wheel drive system and our Intellicad™ fully hydraulic attachment system with three attachment tools. The option of versatility. Comes standard with ROPS and Seatbelts.

**CARRYALL 1500**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,900 lb (862 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

Moves up to 8 passengers at a time. This versatile and durable transportation vehicle is perfect for moving people at campuses, resorts, events, and more.

**CARRYALL 1700L**

- **Power**: 16 hp (11.7 kW) peak 48-volt electric
- **Capacity**: 2,000 lb (907.2 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4-6

By blending durability with comfort and room for four to six passengers, this vehicle is perfect for transporting your whole crew and the tools they need to get their jobs done, giving tours or transporting gear or guests around everything from airports to zoos.

**CARRYALL 2+2**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,450 lb (658 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 4

The Tempo 2+2 comes with four ergonomically designed seats to comfortably carry six, thanks to a fixed rear seat. Flexible passenger and cargo configurations and a wide range of options make it great for many applications.

**CARRYALL 510 LSV**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,500 lb (681 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 2

This two-wheel drive Carryall 510 LSV delivers the power and strength of a four-wheel drive vehicle with even higher payload capacity. Features four wheel hydraulic disc brakes and tows up to 2,000 lb (907.2 kg).

**CARRYALL 1050 LSV**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,500 lb (681 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 2

Reduce automobile traffic on your campus with the Carryall 1050 LSV. Great for large campuses where you need street-legal, smaller transportation to navigate manicured turf. Cockpit-style interior makes for easy entry and exit.

**CARRYALL 1200 LSV**

- **Power**: 16 hp (11.7 kW) peak 48-volt electric
- **Capacity**: 2,500 lb (1134 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 6

A nearly 6 foot (1.8 m) long bed makes transporting cargo easy and efficient, yet independent suspension and rack-and-pinion steering delivers a smooth ride.

**CARRYALL 1250 LSV**

- **Power**: 16 hp (11.7 kW) peak 48-volt electric
- **Capacity**: 2,500 lb (1134 kg)
- **Speed**: 15-17 mph (24-27 kph)
- **Seats**: 6

Tough enough to traverse rough terrain, yet nimble enough to travel tightly on maintained turf. Cockpit-style interior makes for easy entry and exit.

**TRANSPORTER**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,800 lb (816 kg)
- **Speed**: 25 mph (40 kph)
- **Seats**: 2

This vehicle is perfect for navigating crowded areas. Expected up to 30 miles on one charge.

**TRANSPORTER XL**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 2,100 lb (951 kg)
- **Speed**: 25 mph (40 kph)
- **Seats**: 2

With Club Car’s exclusive IntelliTrak™ automatic four-wheel drive system and our semi-independent four-link rear suspension system for a smooth ride, even when fully loaded. Comes standard with ROPS and Seatbelts.

**CAFE EXPRESS**

- **Power**: 10 hp (7.5 kW) peak 48-volt electric
- **Capacity**: 600 lb (272 kg)
- **Speed**: 25 mph (40 kph)
- **Seats**: 2

The Cafi Express has been redesigned to hold more products and drive more impulse buyers. Its new shelving system prevents an appealing display, helping generate additional sales, while ample space for refreshments (and ice!) means less down time on trips back to the clubhouse to restock.

**CARRYALL 710**

- **Power**: 16 hp (11.7 kW) peak 48-volt electric
- **Capacity**: 2,500 lb (1134 kg)
- **Speed**: 25 mph (40 kph)
- **Seats**: 2

Lower your carbon footprint with a street-legal vehicle. Found on campuses and in downtowns across the U.S. where the posted speed limit is 35 mph or less.

**CARRYALL 1500 XL**

- **Power**: 14 hp (10.3 kW) Kohler EFI gas
- **Capacity**: 1,450 lb (658 kg)
- **Speed**: 25 mph (40 kph)
- **Seats**: 4

Transport eight people in limo-like style. Perfect for high-volume applications like resorts and convention centers. Accommodates a range of commercial accessories for a variety of applications. Shown with available fold down rear seat to accommodate cargo or personnel.
