UP TO THE TASK

Rental-ready vehicles deliver results that grow business.
UNMATCHED VERSATILITY, EXCEPTIONAL RELIABILITY

The only utility vehicles that can keep up with your customers.

Your renters rely on work vehicles to perform day in and day out, on task after task, with little maintenance, even less attention, and zero headaches. Because we understand that, the Carryall® series by Club Car is designed, developed, and engineered to enable their best work with ease, positioning you—and everyone you serve—for success.

Built to exacting standards with automotive-grade strength, industry-leading longevity, and a customizable design, Carryalls are the first and best choice for hardworking teams everywhere.
“Our customers demand a real workhorse for use in the toughest commercial applications, and the Club Car utility vehicles have proven they are up to the challenge.”

– Greg Pasquale, Director of Product Support Synergy Equipment

CARRYALL 1700

POWERFUL HAULING FOR ANY JOB SITE

The industry’s only automatic four-wheel drive vehicle has room for up to four people and all their gear.

Max Speed 25 mph
Max Vehicle Capacity 1600 lbs
Horsepower 20 hp (gasoline) 20 hp (diesel)
1,000 JOBS,
ONLY ONE CARRYALL

Things can get rocky out there for your customers. Team members come and go. Budgets fluctuate. Responsibilities (and liabilities) expand. But the Carryall® utility vehicle remains a constant. It keeps on working, hauling cargo, transporting crews, and saving time and money. Now, it’s more versatile than ever: by combining leading-edge innovations with the quality you expect, the Carryall is the one utility vehicle that can tackle 1,000 jobs. It stands alone.

CARRYALL 1500

ALL-AROUND HIGH-PERFORMANCE MACHINE

The perfect combination of muscle and flexibility packed on a rustproof, aircraft-grade aluminum frame.

Max Speed 25 mph
Max Vehicle Capacity 1450 lbs
Horsepower 20 hp (gasoline) 20 hp (diesel)
REDESIGNED FROM THE GROUND UP

Our 2- and 4-passenger 4x4 cabs for Carryall provide greater overall comfort, safety, protection from the elements, and performance.
TANK-LIKE DURABILITY, TRUCK-LIKE PERFORMANCE

These vehicles are in it for the long haul.

Carryall® utility vehicles are known for delivering years of trouble-free service. The new vehicles continue that tradition. They retain the core components users prize in the Carryall brand: the rustproof, corrosion-resistant, aircraft-grade aluminum frame and body; tough ArmorFlex™ front body with automotive finish; self-compensating rack-and-pinion steering; independent front suspension system; and unparalleled reliability. But they also incorporate innovative new features and benefits that add even more value.

CARRYALL 700
FOR THE LONG HAUL
High hauling capacity with the legendary, rugged Carryall design.

- Max Speed: 17 mph
- Max Vehicle Capacity: 1500 lbs
- Horsepower: 14 hp (gasoline), 3.7 hp (electric)

CARRYALL 500
JACK OF ALL TRADES
Versatile, rugged, the best choice for those with various tasks.

- Max Speed: 17 mph
- Max Vehicle Capacity: 1200 lbs
- Horsepower: 14 hp (gasoline), 3.7 hp (electric)

CARRYALL 300
EASY TO HANDLE
With the tightest turning radius in its class, Carryall 300 delivers unsurpassed maneuverability.

- Max Speed: 17 mph
- Max Vehicle Capacity: 800 lbs
- Horsepower: 14 hp (gasoline), 3.3 hp (electric)
EASY HANDLING, TOUGH HAULING

Carryall 300 is the perfect solution for light-duty industrial and commercial jobs.
OUTFITTED FOR THE TASK AT HAND

Carryall UTVs are built for hundreds of needs.

No team ever has just one job to do. With the industry’s widest range of commercial accessories, including ladder racks, refreshment centers, specialized lighting, and more, we can deliver your rental vehicles equipped with application-specific features designed to improve user productivity.

FACILITIES ENGINEERING

Our facilities engineering Carryall vehicle comes with a van box or dual-locking tool box system to help teams stay on the move.

GROUNDs MAINTENANCE

Club Car’s new Carryall 700 grounds maintenance vehicle with hose reel has the reliable power to get the job done on any terrain.

SECURITY

Security continues to evolve, and the Carryall 300 security vehicle is designed to flex with your customers’ changing needs.

AMBULANCE SERVICES

The Carryall 300 and 1700 ambulance vehicles have a small profile, tight handling, and extra space, allowing for the secure transport of patients.
COMFORTABLE, SAFE PASSENGER TRANSPORT

Built for durable flexibility on campuses, resorts, and more.

Driven by powerful yet quiet gas or zero-emissions electric engines, Club Car Transporter, Transporter XL, and Tempo™ 2+2 vehicles are designed with automotive-grade safety details and packed with comfort and convenience features. They’re smart, steady solutions that provide peace of mind for anyone who transports guests.

**Tempo 2+2**

**THE MOST ECONOMICAL PEOPLE MOVER**

Boasting the tightest turn radius in the industry, the Tempo 2+2 adds comfort to sporty handling.

READY FOR ANY TERRAIN

Our IntelliTrak™ all-wheel drive system senses the ground it’s on and automatically adjusts between 1- to 4-wheel drive to match the terrain. With no levers, buttons, or training needed, the driver can focus on the job at hand—and trust that the vehicle can cover any ground.

“The Club Cars have proven dependable in the hands of some very demanding rental customers in some of the harshest environments imaginable.”

— Greg Pasquale, Director of Product Support
Synergy Equipment
OPTIONS & ACCESSORIES
Ask your Club Car sales representative for details.

EQUIPPED WITH JOB-SPECIFIC ESSENTIALS
Help customers get a variety of jobs done quickly—and reduce the need for expensive construction equipment—with our exclusive IntelliTach™ quick-change tool attachment system.
ALL THE ACCESSORIES YOUR RENTERS NEED

Specialized add-ons put frequently used tools front and center.

If it’s necessary to the job, Club Car has it. Be the single source for all your customers’ vehicle needs with these standard accessories: turn signals, tail lights, and horn, heavy-duty bed box, backup buzzer, tube bumper, safety light strobe, and canopy.
