

Engine Performance You Can Trust

Depend on automotive-grade engineering with the Kohler Command PRO® EFI engine, now available in Club Car Tempos. In addition to its reliability, the new fuel-efficient engine helps improve productivity by simplifying your ownership experience and increasing vehicle uptime.

THE 14 HP COMMAND PRO® EFI ENGINE FROM KOHLER & CLUB CAR MAKES YOUR JOB EASIER IN MANY WAYS.

- **Automotive-Grade, Closed-Loop EFI** continuously adjusts engine performance based off an internal oxygen sensor for excellent fuel economy and more reliable starting and performance in any environment.
- **Onboard Diagnostics, Accessible on your Laptop or Smart Device** quickly identify engine issues to keep your vehicle running and decrease maintenance time.
- **Reduced Oil Changes** maximize uptime and your bottom line, thanks to an industry-leading oil change interval recommendation (every 200 hours*).

QUIETED METAL COMPONENTS

Specialized material used for the engine's blower housing and valve cover effectively suppresses undesirable engine noise for an enhanced acoustic experience.

*After first oil change at 100 hrs
