LEAVE YOUR WORRIES BEHIND.

A pre-owned golf car can be a great bargain, or it can be a real headache.

Club Car's Gold Standard Remanufactured and Silver Standard Reconditioned Precedent[®] golf cars take the fear out of that equation.

They look and drive like brand new cars, but cost considerably less. And they turn every little trip into a joy ride.

WHAT SETS THE PRECEDENT APART?

Legendary Precedent golf cars feature:

- The industry's only rustproof aluminum frame for durability and long life
- Independent suspension, an automotive-oriented chassis and a sports-car-like driving experience
- The IQ™ electrical system that captures and stores energy lost during braking and increases range
- Classic styling, unsurpassed comfort and lots of accessories and options

GOLD STANDARD FOR PRE-OWNED PEACE OF MIND

Most pre-owned golf cars are spiffed up a bit, but Club Car Gold Standard remanufactured vehicles are completely rebuilt.

Trained Club Car technicians break each car down to its aluminum chassis, inspect every component and system and replace worn or damaged parts. They also install many major new components, including:

- Eight-volt batteries, onboard computer, and charger on electric car
- Kawasaki® FE350 engine on gas car
- Seat back and bottom assemblies
- Front and rear beauty panels
- 360° bumpers
- Heavy-duty suspension a-arms
- Steering gear box assembly
- Tire and wheel assemblies
- Pedal assemblies
- SAM assembly
- Brake shoes
- Floor mats

The cars are test driven, assigned new serial numbers and covered by a three-year Club Car vehicle and battery warranty.

Precedent

Electric or gas golf car (golf course and community ready)

Powertrain	Maximum Speed	Floor Height	Tire Height	Ground Clearance
48-volt, 3.2 hp Electric	19 mph (31 kph)	12 in (30 cm)	18 in (46 cm)	4.5 in (11 cm)

Precedent XF 2-in-1

Electric vehicle with large oversized tires and a flip rear seat that transforms into a cargo bed

Powertrain	Maximum Speed	Floor Height	Tire Height	Ground Clearance
48-volt, 3.2 hp Electric	17 mph (27 kph)	17 in (43 cm)	AT 22 in (56 cm)	5.25 in (13 cm)

SILVER STANDARD

SILVER STANDARD: EVEN MORE AFFORDABLE

Each reliable entry-level electric vehicle is reconditioned, inspected and given new:

- Eight-volt batteries and onboard computer
- Seat back and bottom assemblies
- Front and rear beauty panels
- 360° bumpers
- Heavy-duty suspension a-arms
- Steering gear box assembly
- Tire and wheel assemblies
- Pedal assemblies

These vehicles add an extra layer of confidence, but they do not carry Club Car warranties.

AUTHORIZED DEALER

BEWARE OF IMITATION: THE SINCEREST FORM OF FLATTERY

Don't let an unethical wholesaler or dealer pass a fake vehicle off as a Gold or Silver Standard Precedent[®] golf car. To make sure you are buying an authentic Club Car product:

- Look for a dealer who displays an Authorized Club Car Dealer sign. The Gold Standard Factory Remanufactured warranty is available only through our authorized dealers. It is not transferrable.
- Make sure the vehicle label on the passenger side panel near the floorboard is gold or silver and contains the 12-digit Club Car remanufactured or reconditioned serial number across the top.

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments.
